

Tripod Projection Screens

PHPANTALLATRIP-200

Colour: White

ONE SCREEN FOR EVERY PROJECTION NEED!

The 112" PantallaTrip-200 Tripod Projection Screen from Phoenix is a simple steel screen that is suitable for all venues - home, business and education. Rugged, reliable and easy-to-use, this is the kind of screen we've all used for years.

With a lightweight and durable design and at a more affordable price, the Phoenix PantallaTrip-200 is a solid alternative when a more sophisticated motorized installation is not permitted or desired. And it is probably the most popular portable projection screen for schools.

Product highlights:

- Lightweight yet durable - rugged steel construction.
- Freestanding.
